What's New At Our Office?

Whether it's been a day or a year since your last visit, a lot has changed at our office recently! Here's an overview of what's been happening!

New Job!

Dr. Fleming resigned from her teaching position at Herzing University, teaching Anatomy and Physiology, to begin teaching Biology and other courses to Aerospace Physiology majors at Embry-Riddle Aeronautical University. She is very excited about this new position and the opportunity to serve the students in our community.

New Giveaways!

We are raffling off a series of seasonal gift baskets! Our current basket includes a **\$50.00 Starbucks Gift Card**, a blanket, a Yankee Candle, and a few other goodies, **valued at over \$100.00!** To enter, simply write a **Google review** about your experience at our office! We will then enter you into our drawing to win this basket, as well as the next three for the Winter 2017, Spring 2018 and Summer 2018, giving you a total of **FOUR chances to win!** The winner for our current basket will be announced on Facebook Live on October 1, 2017!

New Resources!

Dr. Fleming has also started a YouTube channel! We are looking to educate others about chiropractic and would love to have you participate as a model! If you're interested in having your next adjustment recorded, let us know and, as a token of our appreciation, we will place a **\$10 credit** on your account! You can check out Dr. Fleming's Channel by searching "Dr. Alesha Fleming" on YouTube.

What's New At Our Office?

New Wall!

We've been under construction! We've added a wall to section off the back office! If you were here during that time, you know that it was a very dusty experience that also caused our air conditioning to go out!! Luckily, everything is clean and repaired now! We even did some touch up painting throughout the office to make everything sparkle and shine like new!

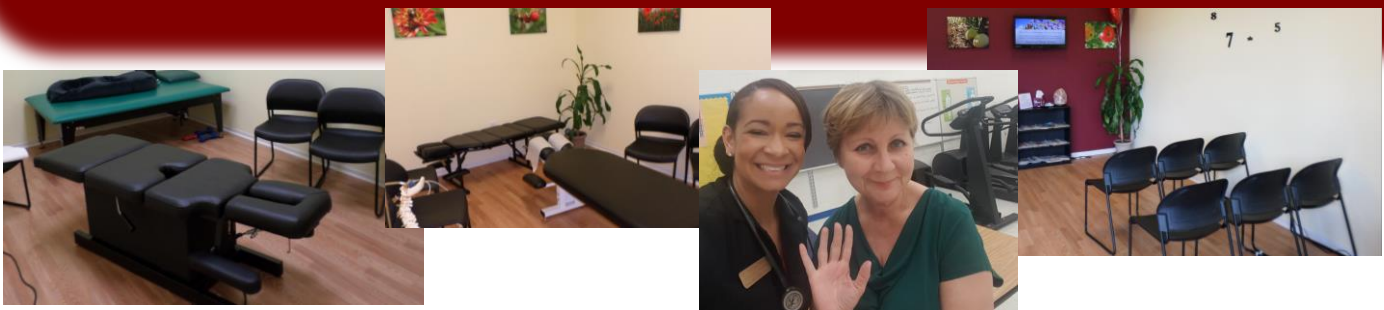

New Discounts!

15% OFF!

We hope that you and your family remained safe during the hurricane and sustained no damage to your belongings. To help you save some money on your healthcare costs, present this flyer at our office to **receive 15% off your next visit.**
